The Honorable Clark MacGregor  
The House of Representatives  
Washington, D.C.

Dear Mr. MacGregor:

I am sorry that I was not able to meet you personally at the Rodino Bill hearing last Thursday. Your strong unqualified statement in support of the bill was most gratifying to all of us and I particularly appreciate your special effort to find the time in your busy schedule to attend the hearing.

I hope that we will be able to get together sometime soon even if its only for a quick "hello".

Thanks again.

Sincerely yours,

John Richardson, Jr.
